Ireland In-Person User Groups - May 2023

Thanks to the teams at Cork University Maternity Hospital & The Coombe Women & Infants Hospital Dublin for hosting face-to-face User Group meetings.

We spent a great few days with wonderful engagement from all teams, with great feedback and ideas. We're looking forward to continuing our support for all maternity hospitals in Ireland, helping to ensure K2 meets with national requirements.

Sales Manager

"Welcome to the Summer Newsletter. With the first half of the year gone, I'm keen to keep you up to date with the latest developments. Following the release of NICE '22 and SBLCB v3, we have listened to your requests to ensure PTP meets with the changing needs of clinicians across the UK and Ireland. Please remember, we are here to support you and we remain focussed on providing you with the very best e-learning platform."

South West In-Person User Group – June 2023

Thanks to the team at Royal Devon & Exeter Hospital for hosting the event in June!

We now have some really good ideas to help support and facilitate face-to-face CTG sessions, which K2 will be exploring with clinicians. More to follow soon!

Scotland User Group Meeting planned for October in Glasgow. We look forward to meeting admins from across Scotland!

The PTP team would like to offer further regional User Group Meetings across England, to ensure you and your teams gain the very best from K2 PTP; please contact me if your trust or LMNS would like to host a regional User Group meeting.
