

K2 My Pregnancy Notes

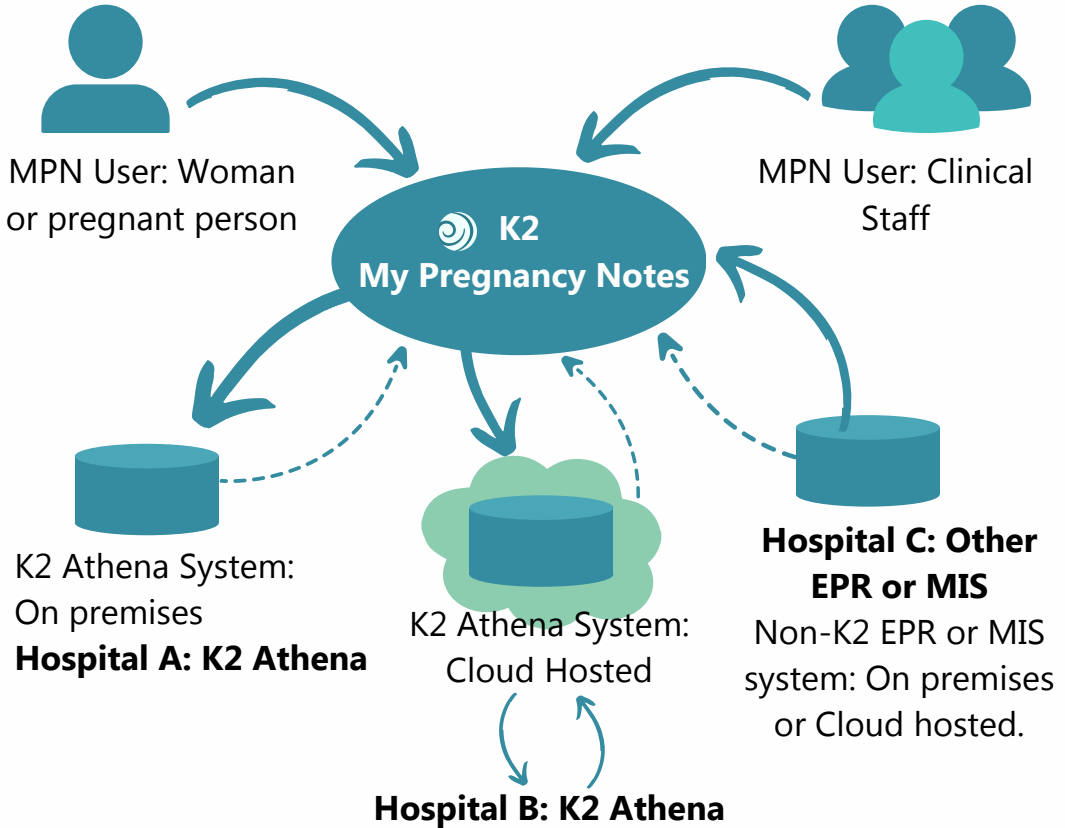

My Pregnancy Notes places women and pregnant people at the centre of their care.

Providing full access to notes, collaborative care planning and extensive remote monitoring, putting them in control of their own care throughout pregnancy and beyond.

The benefits of using My Pregnancy Notes:

- Dedicated maternity personal health record.
- Collaborative creation of care plans and preferences.
- Managed remote monitoring of all applicable observations when integrated with K2 Hampton.
- Third party access - controlled by users.
- Hosts national and local information and leaflets.
- Fully accessible on all mobile devices.
- Integrates with hospital systems to provide appointment, pathology and radiology information plus more.

The diagram below shows the possible configurations for multiple users and hospitals using My Pregnancy Notes
